

PRESS RELEASE:

Maggie & Rose partners with Marion Deuchars for London Design Festival 2021

To mark this year's **London Design Festival**, the original family members' club and day nursery brand, [Maggie & Rose](#) has partnered with Islington-based illustrator and author [Marion Deuchars](#). The only event specifically designed for little ones and their grown ups in the official festival program, this fun and interactive exhibition and activities will run for the duration of the festival (**18th – 26th September**), taking place in the new public café at Maggie & Rose Islington.

Throughout this period, Marion's striking illustrations will line the café walls and windows and little ones will have the opportunity to contribute their own artworks to the exhibition. A programme of family events and activities including a treasure hunt around Islington Square, craft activities and author readings, will also be on offer to the public.

“Bob the bird is just like all his friends, apart from his skinny legs. When Bob is teased, he decides to try and change himself to fit in. But little does he know where all his efforts will lead him...”

Marion Deuchars, creator of Bob the Artist and Islington local, brings her bold graphic style to the Maggie & Rose Café this autumn with craft activities on offer to stimulate curiosity and inspire creativity through art, a key ethos of Maggie & Rose.

Bob, the Artist is an affirming tale for little ones aged three years and older, about the power of art and of being confident enough to be yourself.
